

THE MSU LOCAL GOVERNMENT CENTER INVITES YOU TO ATTEND THE 2021 Municipal Elected Officials Virtual Conference, May 4-6

The purpose of the conference is to enhance the capacity of local government officials to serve effectively, professionally and efficiently in municipal government. In addition to helping mayors and council members learn about their roles and responsibilities as elected officials, the conference also provides pertinent information about emerging issues and opportunities of importance to local governance. The program is held in conjunction with the Montana Municipal Institute for Clerks, Treasurers and Finance Officers and also the Jim Tillotson Service Program for City Attorneys to allow for interaction between city attorneys and officials of both the executive and legislative branches of local government.

Registration

The fee for this workshop is **\$120 for each elected official**. This fee includes all instructional materials and the cost of the virtual conference platform. **To register online**, go to www.msulocalgov.org and click on the button labeled Montana Municipal Virtual Institute. Then click on the registration link.

Cancellation Policy

If notice of cancellation is received by **April 30, 2021** the total registration fee will be refunded. No refund will be made for cancellations received after that date. Substitute participants may be made at any time.
